Power *of* Advertising

¶The CITY DIRECTORY is the "power" that generates information for the buyer that he may know who deals in the products he is most interested in and wishes to purchase.

¶If YOUR business is not classified properly, with a display advertisement arranged to describe your particular line of business, how can "you" expect the buyer to trade with you, only by chance and a buyer seldom takes chances.

¶ADVERTISING is the foundation upon which all successful business are built. To be successful YOU must apply this to "your" own particular business.

¶ADVERTISING is the multiplication table pure and simple, when applied to any business, it is an "idea" multiplied.

In Case of Fire "Call Fire Department."

1 Locate the fire alarm box nearest your home
2 Stay near the box when pulled for fire to direct the firemen
3 In case of fire, call Fire Department. Speak distinctly when calling the Department by phone. Give the exact location of the fire. Don't say "Come to my house quick."
4 Keep on the sidewalk when apparatus is going to a fire
5 Give the right-of-way to the Fire Department when it is responding to an alarm
6 Realize that the Fire Department is ready at all times to respond to fires within thirty seconds after an alarm is sent in. That delay in sending in an alarm is responsible for nearly every large fire that occurs. With snow on the ground and a two-mile run up hill, the Department must be notified quickly to be of any service. The most efficient service is rendered if the Department arrives within three minutes after the fire breaks out.
7 Own a fire extinguisher if possible
8 Have two six-quart pails always handy
9 Give the firemen credit when they deserve it
10 Look for exits in theatres, halls and public buildings

CITIZEN WANT ADS

BRING RESULTS

READ BY 60,000 PEOPLE

How many people do YOU number among your friends and acquaintances?

How many could you reach in a hurry—by mail, phone or personal call?

The number is insignificant—PRACTICALLY NOTHING—when compared with the thousands who live here.

Yet there is a way of getting in touch with men and women you never saw—whose NAMES, OCCUPATIONS, RESIDENCE, NEEDS you know absolutely nothing about.

It is through CITIZEN WANT ADS. A few lines under the different classifications on the want pages, such as "Help Wanted," "For Sale," "Lost and Found," etc., reach just the people you want to reach. This is demonstrated day after day to all who use Citizen want ads.

Every day we hear of someone who used a CITIZEN WANT AD and received far more results than they had expected.

"USE THEM—THE COST IS SMALL"
